HISTORY

MONTH

Brain Health Webinars

Every Thursday in February at 6PM via Zoom

Pre-register at <https://bit.ly/bhm-brain-health>

or scan the QR code below with your smartphone camera

Each event will be moderated by former Cleveland news anchor, **Leon Bibb**

Join us each week to discuss conversations on:

- Traumatic Brain Injury and Sports
- Trust in the Government: Minority Medical Distrust and Healthcare Disparities
- Science, Research, and Spirituality
- The Impact of the Great Migration on Brain Health

*More information on each event in future flyers

Hosted by University Hospitals Brain Health and Memory Center

In collaboration with: Global Alzheimer's Platform

Hub & Spoke

Elisabeth Severance Prentiss Foundation
